

**WINDOVER HILLS PRESCHOOL (4 YEAR OLD CLASS)**

Welcome to Windover Hills Preschool, where your child will spend many happy hours. A preschool is one way of providing a good learning environment for children. Our goal is to enhance the learning which already takes place in the home and to further prepare the children for kindergarten.

By learning to express oneself, get along with other children and adults, share, and take turns, the child will grow socially and emotionally. He or she will also grow intellectually and academically through fun learning activities.

Music, stories, arts and crafts, dancing and rhythm, nature study, health, safety, and indoor and outdoor play are all part of our varied schedule. Field trips, parties, and having special visitors also enhance our curriculum.
