

New Ways to Connect

In addition to Facebook Live and call in, you can now attend worship by video conference. In addition to improved sound, this also gives you the opportunity to share your joys and concerns audibly during worship, as you would if you were worshipping in person.

We will have a short tutorial ten minutes before each service this week (Saturday at 6:20pm, and Sunday at both 8:50 and 10:50am) to walk through how to share joys and concerns audibly during the service.

To connect by video conference click on the link below.

Join the online meeting: <https://join.freeconferencecall.com/office8327>

Online meeting ID: office8327

And, as always, to connect by phone dial the number then enter the access code below.

Dial-in number (US): (720) 740-9622

Access code: 5237651#

Greeting Card Fundraiser - Thank you!

Hello church!

Thank you all for your participation in the greeting card fundraiser. We raised \$273 for the church, which we know will be put to good use. We wish you all blessings this holiday season!

The Pritchard Family

Facia Repaired

It has been an interesting couple of weeks, with the fellowship hall needing a couple different emergency repairs, and through it all God has provided in abundance! The proceeds from the greeting card fundraiser, which was planned before the storm hit and took out the fascia, was enough to cover repairs, and put a little extra away for a rainy day. God is good!

Thank you to the Trustees for taking care of our church, and to Mike Inks and [Inks Installations](#) for your work!

Online Giving

These are interesting times, where many attending worship from home, churches have stopped passing the plate, and we are all finding creative ways to stay connected. If you have been attending online and would like to tithe online, click [here](#) to explore our online giving options.

Thank you for your support!
